Community:

\$Happy dog is a meme token inspired by the hope of creating a better world for dogs.

Do you believe in the right for a dog to be a happy dog? Our community does. We support the right for a dog to be happy. Help our community making the world a better place for everybody including dogs and all pets. Even for a cat.

Our community would love to make the world to a better place for everybody.

Make love and create happiness for everybody – no hate.

We support the welfare of animals – including every dog on the planet.

Intention:

Happydog has a desire to help dogs and other pets as best as possible. Our community therefore expects to hold a vote during 2025 in relation to how the amount of charity is to be used. Wait and see

The happy dog song and community has millions of followers worldwide. Most people love dogs and want the best for them - without exception. Dogs must be happy. Dogs must be treated well. It is no joke that a dog is man's best friend. It obliges us humans in the good way.

That is why \$happydogcoin is now being created to help and support dogs all over the world. WOW WOW.

\$Happydogcoin is inspired by the happydog song and very grateful for all the good inspiration all over the world.

With the starting point in the HappyDog song, \$HappyDogCoin also wishes to become a worldwide success
